Reports

Reports will be issued this term, as always, during week 9. As in previous terms, reports will be sent by email along with renewal forms and details of any awards achieved. If you have not received these documents by the end of week 9 please check your email spam folder before contacting us.

On the subject of reports, please note;

1. A swimmer will need to perform a skill a number of times to a proficient standard before achieving a 'pass'.
2. Swimmers completing stage awards may not necessarily be ready to move to the next class. We will only move swimmers when the teacher is confident that it is in the best interest of the individual swimmer to do so.
